Japanese Skating Star Works Long Hours to Achieve Skills

TORONTO. — Junko Ueno Japan's skating sweetheart works long hours to maintain her skills as a skating champion.

She is currently in Toronto for a 10-day stopover after competing in the world figure skating championships in Cortina, Italy. A member of the Osaka YWCA, Junko came to Toronto on the invitation of Co. P. Norman Alexander, past chairman of the National YMCA World Service Group.

She skated her way into the hearts of the Japanese by being crowned all-Japan champion five times. And she's following in the footsteps of her mother, who is now an international figure skating judge and a former champion.

At home, Junko rise in time to get to the rink at 4:30 or 5 a. m. before it opens to the public. Then—she is off to classes at Kwansei Gaukin University, where she is a second year student. In the evening it's homework and more work before bed at 10 p. m. All mightly long day for a young lady of 20.

While in Toronto, she is taking lessons under the watchful eye of Sheldon Galbraith, a trainer of champions, at the Toronto Cricket, Skating and Curling Club and Junko works out on the ice at the Granite Club.

Mr. Galbraith is helping her with school figures, which count 60 per cent in competitions, so she can return home and successfully defend her title. "She's much more feminine than her more athletic competitors," said Mr. Galbraith.

She has a lovely grace which comes from her 10 years of training, as well as ballet and odori lessons.

In Japan, there are but 25 rinks which open to public from 9 a. m. to 9 p. m., which means that the cute skating star must skate before opening time to avoid the crowds. In summer, only three of the rinks remain open. So, it was quite a change for her to find private clubs with skating facilities.

On arrival in Toronto, Junko headed straight to see freinds Mr. and Mrs. James Thurlow. Mr. Thourlow is on furlough from Junko's university. She also visited the Rev. M. Norisuye, recently appointed Minister of the Japanese United Church, and his wife.

What would she like to do after school? she was asked. "Get married, a professional skater's life is too hard," she said.

Junko, who represented Japan in the last winter Olympics at Squaw Valley, will return to Tokyo on April 1st to participate in the all-Japan Skating Tourney.

To-night she will skate in an exhibition at the Silver Blades Skating Club, Central Park arena. There are a limited number of seats available on a first come, first served basis. Cost is $1.50.

Toronto Public Schools Teach "Jap" to Grade Six Students

By KEI TSUMURA
N.C. Correspondent

TORONTO.—A regularly used Public School reader approved by the Toronto Board of Education freely teaches its grade six children the racially derogatory term, "Jap" it was learned recently.

The book entitled, "All Sails Set" published by the Copp Clark Company, contains a compilation of poems, short stories and essay aimed at the 11 to 12 age bracket. One of the essays entitled, "Muskeg, Mountain, And Men" written by M. Audrey Graham, twice contains this obnoxous term.

Most responsible dictionaries have consigned "Jap" to share the same oblivion as other racial epithets. For example, the Dictionary of Contemporary American Usage, edited by Bergen, Evans and Conelia Evans (Random House, New York, 1957), notes the shortened form of Japanese as "derogatory and should not be used."

The Dictionary of American English Usage (Oxford University Press, 1957) notes it to be colloquial and "understandably resented."

The New Canadian and the Japanese Canadian Citizen's Association (JCCA)—among others—have always been on the alert to halt usage of the term. Whenever it has occured, they have swiftly countered with vigorous letters of protest. Toronto newspapers, such as the Star and the Globe and Mail have stopped its usage long ago.

The JCCA counterpart in the United States, the Japanese American Citizen's League have led a successful campaign to get this term designated as derogatory and offensive by all American dictionaries and the halting of its usage by the American Newspaper Guild members.

The usage of this term in the sixth grade text book came to light after several perturbed public school students asked their teacher why "Jap" was used in their reader when at home their parents forbade its usage.

Several public school teachers who were interviewed indicated many children have asked this question. They all admitted great difficulty in giving a straight and satisfactory answer. One of them, a Japanese Canadian teacher, told us it was a constant embarrassment to teach this essay.

"The children actually seemed sorry for me," this teacher said. "And it certainly made for an awkward situation."

A Department of Education librarian stated that the book, "All Sails Set," was definitely on the 1962 approved list. She said the 1963 list was not out yet and whether the book was on it could not be determined.

In our inquiry for further information on this matter, we finally got in touch—after some four or five departmental switches—with a Mr. Parnell at the curriculum branch.

He asked whether the term was used in dialogue. We told him it was used once in dialogue and once in description. When asked for comment, he suggested we write to the Supt. Curriculum

Better National-Local Liaison Urged at MJCCA Meeting

WINNIPEG. — Braving two and one half foot snow drifts, eight executive members of the Manitoba JCCA were on hand for the March meeting held at the Winnipeg Buddhist Church recently.

Following the reading of the minutes of the Feb. meeting, a brief rundown of activities held since that time was given.

President N. Shimizu who was asked to MC the recently held YBA sponsored Valentine's Dance reported that a succesful evening was had, with the Miss Valentine's title going to Miss Susan Morishita who represented the Issei Bowling League.

Majority of the membership was obtained during the recent campaign it was reported. Those who have not been approached were not a home when volunteers called at their homes—in some cases at least three times. In lieu of receipts this year, the MJCCA will send out new membership cards together with a letter of appreciation.

The recent annual letter from National JCCA president Edward Ide came under close scrutiny of the MJCCA executive. It was felt that much more could be done in connection with National-local communications to avoid the inevitable delay in liaison, which sometimes takes up to two months.

Notation of the similarity in personal problems was studied with interest. MJCCA felt that the National body could increase its personal capacity with associate staff, exclusive of the principles embedded in the constitution.

It was also felt that much more effort could be made towards reuniting with the Japanese Canadians of Alberta and Quebec. Increased efforts to complete the History Project was also suggested.

In preparation for the Annual General Meeting on April 10th at the Buddhist Church the nominating committee reported that names for the voter's list have been completed and will go out with the April issue of the Outlook. It was recommended that the number of nominees be kept at a minimum of approximately 35. Further nominations will be accepted fro mthe floor at the General meeting.

The voter's list are to be returned to Mrs. G. Amadatsu, 1149 Alfred Ave. by April 30th. The new executive will be installed on May 8th. All chairmen of various committees are asked to prepare reports for presentation to the membes at the General meeting. The finaicial report will also be given at that time.

Looking forward to the members meeting, the executive felt that all questions put forward by members be replied in honest, and efforts be made for improvement of the MJCCA.

Nisei Nabs Robbery Suspect With Judo Throw

VANCOUVER.—A judo throw trapped a suspected thief in Vancouver's Skid Row area early one morning last week.

One minute the suspect was fleeing from approaching police officers. The next he was lying winded on the sidewalk, victim of a shoulder throw executed by Nisei judo expert Jin Tsuchida, 26 of 324 Powell.

"He was still there when police arrived—it takes a little time to get up from a throw like that," said Tsuchida, a first degree black belter.

Tsuchida said he was working in the novelty store on the ground floor of his home when he heard the sound of breaking glass at 3 a.m.

He saw a man climbing through the front window of Ken's Grocery Store at 324 Powell.

"Just as I got there he climbed back out of the window with his hands covered in blood—he told me someone had shot him," Tsuchida said.

"As I waved at a passing police cruiser the man started to run. He didn't get very far before I managed to catch him and throw him," said Tsuchida.

Tsuchida, Vancouver born, took up judo seven years ago at Vancouver Judo Club. The black belt in judo is the highest in proficiency grades. The suspect is being held by police.

Two JC Students To Attend High School Confab

GREENWOOD, B. C. — Two Japanese Canadian Grade XII students, Dennis Hamaguchi and Patricia Yamaguchi were selected to the annual High School Conference at the University of B. C.

Patricia was among eight students in the secondary school at Greenwood to achieve First Class standings as a result of the second quarter examinations last month. First Class honours is 80 per cent or over in academic subjects.

Dennis though not among the first class honour students is an all-round student, excelling in athletics as well as in academic subjects.

Three other sanseis were among the eight honour students. They are: Joy Hamaguchi — grade VIII; Marleen Izumi — grade X; Katrina Izumi — grade XII.

The purpose of the U. B. C. conference is to give students and insight into University life. The program includes a tour of the University, sample lectures, discussions, seminars and a banquet and dance. Having been captivated by this experience the lucky delegates return and relay their enthusiasm to the rest of the university-minded students.

Sansei Lad Killed By Runaway Milk Truck

TORONTO.—A runaway milk truck struck and killed a 4-year-old Sansei boy on the sidewalk near his Scarboro home Thursday. Gordon Harafuji, son of Mrs. Tamaye Harafuji of Linden Ave. was dead on arrival at East General Hospital. According to police, Earl Gostick, 24 of Eglinton Ave. E., saw the truck rolling down the slight incline while he was walking back to his vehicle after making a delivery. It crossed the road, mounted the sidewalk and struck the boy. Gostick was charged with leaving a vehicle insecured. A playmate, Kenneth Edwards told his mother shortly after, the accident that he had shouted a warning to Gordon after he saw the milk truck rolling toward them.

"Gordy went for a dump truck and he got hit," he told his mother, Mrs. Kenneth Edwards.

The milk truck came to rest against the next-door hedge.

Mrs. Edwards said the dead boy's father died of a kidney ailment two weeks before he was born. Mrs. Harafuji has two daughters, aged 7 and 8.

It was Metropolitan Toronto's 22nd traffic fatality of 1963, compared with 19 at the same date last year.

POINT BLANK

By Howard Ikebuchi

IT IS NOW about three years ago that my niece and nephew, then aged nine and eight years, respectively, came gasping and puffing for breath into the sanctity of my room. I was quietly reading Philip Wylie's Generation of Vipers at the time and did not particularly wish to be disturbed.

"Whaddaya want?" I asked them in my most terrfying voice, hoping that this would scare them away, and discourage them from recruiting me as a third player in a game of Monopoly. (After all, wasn't it always in search of another player that they come charging into my room?

It terrified me to see them still standing there—quiet canly.

"Uncle, do you want . . . ?" My niece, the more talkative of the two—naturally—began.

"No!" I cut her off before she could finish. I continued to read.

"But," she protested, "You don't even know what I was going to say. . . ." (Oh, didn't I now? I could smell a game of Monopoly a mile away.)

"No, but I anticipated you," I rudely interrupted again, a prerogative that comes of being an adult. "I have no desire to play Monopoly. Now, go away."

"But, but, we don't want to play Monopoly," Little Miss persistance said.

I placed the provocative Mr. Wylie to my sunken chest and looked at them in surprised relief.' "All right, then what may I do for you? I'll say 'yes' to anything but a game of Monopoly. . . ."

"Is that a promise," My niece asked—very quickly.

"Yes."I said. Anything is better than Monopoly.

"Do you want a dog?" she asked somewhat unsure of my answer.

Oh, hell, I thought, they're playing a little game.

"A dog?" I replied.

"A dog." They said.

"Of course, I want a dog," I said in my most cinvincing voice. "I've always wanted a dog."

"Yippie!" They both yelled and shrieked and jumped about the room.

"Hold it, hold it!" I shouted. "Now that I've made you both happy by saying 'yes' you may reciprocate this good deed by going away and leaving me in peace."

They looked at each other, and then with a queer look of bewilderment, looked at me.

"Now, what?" I asked. They exchanged looks again and seemed uncertain as to their next move.

"Don't you want a dog, Uncle?" my niece asked.

I was beginning to wonder whether she needled the attention of an otolaryngologist.

"Didn't I just tell you kids that?" I said. (What's the matter, man, got wax in your ears?)

They exchanged their stare again. Both shrugged their shoulders and left the room. I got back to Wylie. It was too good to last, and they were soon in my room again.

"Uncle, and I also want a rat, a cat, and a monkey." I said to them very politely, that is, if one can be very polite after reading Wylie.

"Here!" said my nephew, and placed a ball of black hair upon my chest. I almost jumped out of the window from the sudden realization that it was alive.

"It's, it's . . . alive." I said trying to hide the fear growing within me.

"Don't worry, Uncle, it won't bite you," my niece assured me as she picked up the ball of hair from my chest.

"It's a dog?" I asked, very unsure of myself.

"It's a dog," they said.

And that, dear reader, is HOW I acquired that mongrel, Mickey—our dog!

The moral: always play Monopoly!

覆面の武士たち守るとみせて、不意に、斬つて出たのは、武士たちの側だつた。

左手で提燈をかざし乍ら一閃抜き打ちにあびせるや無頼者の一人が、どうつとのけぞつた。

藤馬の方は、正面の武士を遮二無二斬り伏せて、石段まで突進しようとしたが受けて立つた相手の太刀筋は、正統の冴えをもつて、かえつて圧倒してきた。

『くそつ!』

脇から、乾分が、盲滅法に斬り込んだ。その刀を、さつとたたき落した相手のほんのわずかのすきをねらつて、藤馬は、

『えいつ!』

と、突きに出た。

『うつ!』

と、うめいて片膝ついたのへ、さらに一太刀あびせた藤馬は、獅子奮迅の勢いで、石段をふさいだ第二陣にむかつて、殺到した。

すると、つと一歩ふみ出した武士が、刀を正眼につけつつ、

『先刻は、うしろをみせて申訳なかつた。こんどは、存分にたたかつてやる!』

と、言つたのである。藤馬は、ぎよつとなつた。

屋敷に忍び入つて、仲間の一人を斬つて逃げた武士だつたのだ。

『名乗れつ! 何者だ!』

その返答のかわりに、猛烈な一撃が来た。

かろうじて身をかわした藤馬は、はじめて、総身にアワ立つ戦慄をおぼえた。到底、自分などが互角でたたかい得る敵ではない、と直感したのだ。

『逃げろつ!』

乾分たちへ絶叫した藤馬は、だだつと橋板を踏みならして、退いた。

『あのさむらいたちは、何者なのでしょう?』

雪が、はじめて、三次にささやいた。

『さア、わかりやせん。皆目、見當もつきやせん』

『ふしぎなこと……わたくしたちが逃げてくるのを、待つていたような……』

『追手が室戸藤馬つて、ことまで知つて居りやした』

『船頭に、きいてみやしよう。……おい、船頭さん、ちよいとたずねるが、おめえさんをやとつた、あの頭巾のおさむらいたちは、いつたい、どこのお人たちなのか、知らねえか?』

『さア……あつしも、よくぞんじませんねえ』

〈教科書中に「ジャップ」〉

トロント學務局に抗議

生徒から指摘されて明るみへ

トロント學務局が認可した公立校生徒用の教科書中に"ジャップ"という文字が頻々と使われている事實が、本紙英文寄稿者津村ケイ氏の寄稿で明らかにされている。

△日系カナダ人に不快を與える"ジャップ"を文中に使っている教科書の題字は"オール・セールス・セット"(全帆準備なる)というもので十一、二才の生徒用のもので、詩、短篇などがふくまれているアドレー・グラハム氏著のもの。

△この教科書を習っているある公立校の生徒の一人が"先生、うちの母はジャップという言葉はよくないから使わないようにと日頃から私にいい聞かしているのに、なぜこの言葉がこのブックに入っているのですか"と不審な顔つきで同校の日系婦人先生に質問したのに對して返答ができ得なかったというエピソードがわかった。

△そこでこれについて市學務局に問合せたところ、その教科書の文中にジャップのあることを認めてはいるが、それをどうすべきかについては言を左右にして斷ることを避け、苦情は教科書の責任者ジェー・アール・マクアシー氏に申入れてほしいという態度をみせているという。

寄稿者津村氏はこれについて全加市協の井手會長の意見を求めたところ、井手氏は『市協の努力で英字新聞から、ジャップ使用をなくすることに成功したと思っている矢先公立校の教科書に公然と載っているとは驚きの外ない。我々は當局に正式抗議を申し入れて抹殺または使用禁止を要求したい』と語っている。

〃世が世なら打首〃

（上）

（故徳川公使回想）　露木海蔵

今は故人となられた徳川家正氏が昨年カナダを訪問されたとき、偶然に私も同じ航空機に乗り合せた。機上で徳川氏に挨拶をし、一刻話し込んだが、その時も氏は私に云われた。

「世が世なら君はとつくに打首になつていたのになア」

「その〃言葉〃は何度も、徳川さんから承わりましたよ」

私は返事して、お互に大声で笑い興じた。私が〃あの時のことは一般に知られていないので、いつか公表しようと思つています〃と述べると徳川氏は〃もう時効だろう〃と返事された。

この時効の意味は、書いても差支えないということにもとれる。そこで私は、徳川さんのカナダ旅行中に書くつもりだつたのが旅の忙しさで書けず、それからも考えてはいたが、書けずにいた。

先日徳川さんの葬儀が上野の寛永寺で行われ、佛前に額づいてから上野の森の中を一刻散策しつつ〃あの頃〃を追想した。

×

三十数年前のカナダの日系人の間には、日本人會を中心とする保守派と勞働組合を背景とする革新派との摩擦が三年位つづいていた。そしてその時代に赴任していた日本領事の言動は帝国主義の官僚思想そのまま、在住日系人は天下つたため両派の紛争は更に烈しくなつていつた。

當時の模様を詳記するには別に適當の人があるので省略するとして、この〃在留同胞のゴタゴタの最中〃に初代駐加公使として赴任されたのが徳川家正氏であつた。

徳川公使を迎えるため日會幹部と領事館側では極秘に工作し、革新派の主張を公使に傳達する機會を與えないよう歓迎會にもオミットする方法をとつた。

公使が晩香坡に着かれる前夜である、鈴木悦ほか二、三の者がはかつて〃在留同胞の現状〃を〃上申書〃として公使に手渡す段取りをきめた。上申書は梅月が清書し、公使に手渡す方法は私に一任、このことは一切秘密にされていた。

秋の冷たい夕方、公使はビクトリアからの便船で來陸される。埠頭に行つてみるとロビーには領事館員や日會その他の代表がずらりと勢揃いしている。私は別の入口から階下に降りて公使の下船を待つた。船客は降りるとなだらかな通路を二階のロビーまで歩むことになつて居り、そこは警官が両端にいて他に人の目はない。この通路で公使に〃上申書〃を渡す以外に方法はないと思つた。へマな行動をして未遂になつては、と思つて警官に身分を證明するため記者章を示したら、無言でうなづいた。

船客の多くが下船してから、ビクトリアまで出迎えた日會長と、そのあとに領事、徳川家正氏とエフ領事の姿が見えた。

私はロビーへの通路で公使に軽い挨拶をし、歩調を合せつつ、同胞社會の現状を簡單に説明し、そして領事および歓迎會において説明されるであろう内容が、實情の眞意でないと断定するために、失禮をかえりみず〃上申書〃を捧呈する大節を訴えた。

公使は無言のまま受取つてポケットに入れられた。

私は〃直訴〃の目的は一應成功した思いであつた。歩調を合せているため、日會長も領事も介入するチャンスがなかつた。三人のあとから私も大勢の歓迎陣の前に現われた。その中にはヘンに感じた人もあるであろうが、私はすぐに姿を消した。

自由党と總選擧

ノーティス

四月八日は總選擧日である。カナダ市民は人種の如何を問わず好む候補者に投票する權利を有する。しかし投票するには（一）公示されている投票者氏名リストに自分の姓名が記入されているかをたしかめること（二）もし記入もれ——新移住者には往々にしてある——があれば直ちに地方の自由黨委員へ直接または電話で知らせること（三）投票場をたしかめ自由黨候補者が誰であるかをたしかめることが必要である。

問　題

カナダはいま大きな問題に直面している。自由党は投票者の手助けを願つている。一九五七年保守党政府となつて以來失業者は激増し移民は減少そしてあやふやな外交方針は對外的にカナダの威信を傷つけ内政の不決斷で經濟の進歩を妨げている。

無責任な公約に氣をつけるべきである。自由黨は現實的である。自由黨支持者に對する支持を求める以前に自由黨政府は何を與えるかを述べてみたい。

公　約

一　壮健者と若者に對する全的且つ平等機會＝カナダ人百人毎に六人が失業という惡性事態を改善し新自由黨政府は全的就職と經濟擴張を第一目的とする。自由黨は今後四年以内に百万の仕事口をつくる。これは他の自由黨の目標に達したうえのことである。

二　自由黨のペンション計畫は全カナダ人が六十五才で引退できるペンションが與えられ獨身七十才には最低月七十五弗のペンション夫婦者は月百四十弗とするものである。自由黨の計畫するメデケアでは學齢兒童と六十五才の全部に無料でドクターのサービスを與えるようにする。その他のカナダ人は一人當り年二十五弗以上ドクターの支拂いをメデケアによつてカバーする。

三　住宅の安全＝間斷なき共産主義の攻撃に直面してカナダを安住地とし我々の生活を守り拔く。カナダは孤立し得ず國連やネイトーらと共に集團的防衛參加を是認する。

四　對外的威信＝軍事的役割を果しながら我々は全世界の平和と自由の防衛者としてのスポークスマンの立ち場を强固にすべきである。

五　全カナダ人に明るい將來＝我我は成長し擴張するためあらゆる天然資源を有している。必要とすることは現實的着運的な經濟計畫である。我々はそのため移民を必要とする。

カナダは國民の手助けを願つている。四月八日に投票を有効に使つて下さい

正しき投票—自由黨への投票

新民主党に對し盛り上る支持熱
クベツク州で立候補六十名

【オタワ發】保守、自由兩黨に愛想をつかして、政治的にはほとんど處女地であるクベツク州内に、力強い新民主黨支持が盛り上っており、この傾向が結晶すればクベツク州から數名の新民主黨議員を出すのではないかとさえ樂觀的な見通しまで行われるにいたっている。

昨年六月の總選擧ではなかば形式的に新民主黨は四十一名の候補者を立てたが、今回は州内各地區で立候補希望者がめつきり増加、全七十地區のうち六十地區に新民主黨は候補者を出すという底力を示してきている。

△一方、カナダ最大の佛語日刊紙ラ・プレスと有力紙ラ・デブア紙はともに新民主黨を支持する强い論調を掲げており、またク州新民主黨のピカード黨主はオタワの黨本部に對して"ク州での我黨のすさまじい活躍ぶりに伴って運動資金はすでに底をついた。至急軍資金を送ってほしい"と矢の催促を行っているほどである。

△今まで社會主義黨を極度に毛嫌いしてきたクベツク州民が、この新民主黨へ示している關心と支持が、四月八日にどんな結果をもたらすかはきわめて注目されるところである。

中國系婦人も保守黨候補に

【晩市發】四月八日の總選擧に對する各政黨の候補者登記はすでに締切られたが、その結果二名の中國系カナダ人が晩市から保守黨候補として名乘りあげた。元議員のダグラス・ジャング氏(センター區)とグラディス・チョング夫人(イースト區)の兩氏である。チョング夫人は連邦選擧に出るのは今回が初めてであるが『保守黨は人種の如何を問わぬ人民の政黨である』といっている。

プライバシーを冒すと
小説「美智子さま」に抗議

【東京時事通信】宮内廳は小山いと子著小説「美智子さま」(雜誌月刊「平凡」に連載中)は"皇族のプライバシーなどの見地からみてこのましくない"と結論、このほど平凡出版會社に抗議、連載の中止を申し入れた。

△小説「美智子さま」は一九六一年一月から「平凡」に連載されており、美智子妃の生い立ち、皇太子殿下とのご婚約前後、浩宮さまご出産ごろまでが書かれているが、當局側のいい分によると、この小説は"全体として人權、人格を無視して好ましくない、事實とも相違している"というにある。

△これに對し作者の小山いと子さんは"言葉のやりとりなど細かい点についてはともかく、大筋は確實な資料をもとにして書いた"といっている。また同出版社側では"調査をしたうえ近日中に回答する"といっているが、實名小説がどの程度までプライバシーにふれてよいかという問題も含まれており、注目されている。

清水平凡社專務は宮内廳を訪れ、平凡に連載中の小説"美智子さま"は今月二十三日發賣の五月号限りでやめる。廣告でこの記事の宣傳はしない。單行本として發行する意思はないと回答して了承を得た。

△新民主黨主は核兵器について諄々とその非を說き、カナダは世界非武装のために努力すべきであるとなし

Main Auto, Japan Camera Gain Play-offs

TORONTO.—Main Auto Body and Japan Camera Centre gained play-off berths with similar 2-2 ties in their respective games during last Sunday's action in the Toronto Japanese Hockey League. Main tied Stadium Garage in the opener, while Japan Camera struggled to a deadlock with Dufferin Cleaners in the middle game. Mickey Sato downed Yamada Studio 3-1 in the final contest which was a "nothing" game for both clubs.

MAIN AUTO BODY vs. STADIUM GARAGE

Main fought back a desperate bid by Stadium to find a spot in the post-season play-offs in gaining third place in the closely contested battle for third and fourth positions. Main needed just a tie to assure themselves of further action this season while the Garage needed a win to gain a berth. A tie was only good in the event that Japan Camera lost to Dufferin in the second game.

John Hamada tipped a goal-mouth pass past goalie Bob Yoshiki for the only score of the first frame. Dave Ishikawa and Herb Ashikawa and Herb Ashizawa earned assists on the play.

Rick Matsumoto tied the count at 1-1 early in the second stanza as he found the target on a long shot from the point. However, Main leaped back in front when Roy Kobayashi fired a shot from just inside the blueline which beat Yoshiki on the short side.

Major Fukumoto put Stadium back in the game in the final frame as he hit home on a pass from Hideo Higashi. Main however played strict defensive hockey for the rest of the game to drive back Stadium's attempt to get the much needed winner.

JAPAN CAMERA CENTRE vs DUFFERIN CLEANERS

Japan Camera moved in front with two fast first period goals and seemed safely on their way to victory and a play-off spot. They made the play-offs, but not before getting quite a scare from Dufferin Cleaners. The Cleaners, who finished in the cellar and out of the money, came close in their attempted role as spoilers.

After Wayne Kimura and Pete Inouye had fired opening frame goals for the Camera shop Dufferin fought back to even the score as George Shimono and Roy Tanaka found the range.

Kimura who was way off last year's pace played one of his best games of the year for Japan and opened the scoring with the help of Ken Edamura and Ryoji Kaji. Pete Inouye made the score 2-0 as he picked up Benny Murata's pass and fired the rubber behind Ted Mianishi.

Shimono started Dufferin off early in the third stanza as he fired a long shot past goalie Bob Kuba. Ted Suzuki picked up the assist.

Roy Tanaka beat Kuba minute's later, again on a long shot, to even the count. However, the clock ran out on their attempts at a spoiler role, and Japan Camera moved into the last play-off spot with a one-point bulge over 5th place Stadium Garage.

MICKEY SATO vs YAMADA STUDIO

The third game—a "nothing" game for both teams—saw Mickey Sato end the regular season with a 3-1 win over Yamada and a 7-point bulge over the Photographers in the league standings.

Having captured their second straight pennant the previous week, the Crown Life Insurancemen hit the ice attempting to give goalie Al Lewis a run for best goalie honours which he won last season. Lewis trailed Yamada goalie Jerry Yamashita by six goals going into the game and though he gained two goals on the afternoon's play couldn't overcome the insurmountable lead.

Scoring champion Satch Fujimoto opened the scoring in the first period on a pass from Fred Kurisu. Tak Tanaka made the score 2-0 early in the second segment when he capitalized on a pass from brother Sam and left-winger Lefty Sasaki. Ted Kakino, cut the margin in half before the period ended as he beat Lewis with a long shot from near centre ice. Johny Kitamura picked up the assist.

The game began to drag in the final stanza with Lewis out of the running and the only goal of the period came off the stick of Fred Kurisu with Sam Tanaka gaining the assist.

BLUELINE NOTES: The leagues outstanding individual, Satch Fujimoto, captured the Fred Urabe Memorial Trophy as the scoring champion. The Sato defenceman took top honours on 13 goals and 19 assists for 32 points. Ted Kakino, who led the scoring for much of the season before giving way to Fujimoto ran second on a league leading 17 goals plus 8 assists.

Mickey Sato's Tak Tanaka and last year's runner-up George Wakayama finished in a tie for third spot with 20 points each. Tanaka fired 12 goals and assisted on eight others, while Wakayama triggered 10 goals and earned assists on 10 others.

Yamada's jovial Jerry Yamashita won the Maiko Trading Co. Trophy as the goalie for the team with the least number of goals scored against it. During the 19 game schedule Yamashita allowed 39 goals for a 2.05 average. Runner-up Al Lewis was beaten 43 times for an average of 2.26.

Stadium Garage defenceman Rick Matsumoto took the league "badman" title with 44 minutes in the sinbin. Japan Camera's Dave Mitobe was second on the list with 41 minutes and Dufferin Cleaner's Ted Suzuki was third with 39 minutes.

Players and fans are reminded again of the leagues "PLAY-OFF BALL" dance on Saturday, April 13th at the War Amputation Hall, Wellesley at Bay. The benefit raffle draw will be drawn at the dance. Raffle tickets are now available from any of the players. Please give your support to the league!

Sei-cho-no-ie

Sumary of the teaching of Seicho-no-ie

(1) **Man** is a child of God.

This is one of the most important points of the teaching. Man is really created in the image of God in the world of Truth, and already has the divine quality within himself, whether he recognizes it or not. All we have to do is to manifest this perfect quality in this phenomenal world, then we can enjoy genuine happiness.

(2) The power of Word is applied as a means of manifesting this indwelling infinite quality. Word is the Creator of the spiritual Universe. (Here Word implies Divine thought or Spiritual vibration at the same time).

Prayer or the recitation of Holy Sutra-these are another example of the power of Word.

(3) The Phenomenal World is the Manifestation of One's mind.

The phenomenal world duly reflects our own mind. Therefore if you wish to be really happy, you have to change your mind. According to your mind, dark or bright, your environment will appear so, concealing the real phase of the Spiritual Universe.

Therefore in order to be healthy, you must have a healthy thought and harmonious feeling. Here the law, "Like attracts like" works precisely.

(4) Doctrine of Oneness of All Religious Teachings.

From the viewpoint of Truth, every religion is basically one and same. This one truth has appeared in the different forms such as Christianity, Buddhism, Shintoism and others according to the difference of time, race and place.

We have to know the oneness of Truth. From this understanding, people can come to be united regardless of the difference of this religion. One of the "raison d'etre" of Seicho-No-Ie lies here.

(5) Deliverance for the Sense of Guilt.

Sense of Guilt has concealed the Divinity of human race for a long, long time. With deep-rooted feeling of sin, man can never be saved forever. The mission of Seicho-No-Ie is to deliver humanity by letting them know that man is a child of God and already redeemed.

(6) Reconciliation, Perfect Harmony.

Since our environment is the reflection of our mind, as long as we possess a deep-rooted discordant feeling, the inner perfectness will never be made manifest in this world. Therefore, it is essential to reconcile with everyone and all things in the universe in order to manifest genuine peace and happiness.

It is revealed in the Divine Revelation "Spiritual Teachings Written on the "Seven Golden Candlesticks" to Light the Path of Life."

(7) Shinsokan (Prayerful Meditation)

In order to realize oneness with God, Seicho-No-Ie teaches this unique meditation called "Shinsokan." This is also spiritually initiated through Dr. Masaharu Tangiguchi. One who clearly realizes his divinity through this meditation can manifest his inner perfectness upon him. Numerous healings through Shinsokan are reported.

Activities

This movement was actualized through the distribution of Dr. Taniguchi's immortal sacred scripture, the "Seimei no Jisso" written through Divine inspiration together with other books and magazines. He has already written 300 books, besides editing six monthly magazines. His books are so popular that, for instance, "Seimei No Jisso", over eight million copies have already been distributed. English versions of these truth scriptures that have been published so far are also available.

Another noteable activity of Seichi-No-Ie are the lecture meetings given by Dr. Taniguchi and other Seicho-No-Ie lecturers throughout Japan periodically. Recently more than 10,000 audience gathered at each meeting. Thus people of Japan have the opportunity to listen to Dr. Taniguchi's inspirational lectures directly.

Besides this, he talks through eight radio stations, his teaching being arid in Brazil and Hawaii, too.

His ceaseless devotian is more than striking.

Noted Canadian-born Semanticist Tells U.S. Negroes To Flick Chip Off Their Shoulders

LONG BEACH, Calif. — The U.S. Negro should adopt a mental attitude somewhere between the proverbial "chip on the shoulder" and "Uncle Tom-ism." If he doesn't he's only going to invite more discrimination.

This was the thesis of Dr. S. I. Hayakawa, noted Canadian-born semanticist, who was on a three-day visit to Long Beach State College.

Hayakawa calls the reaction the "self-fulfilling prophecy." "If we believe we are going to be discriminated through that behavior," says Hayakawa.

"As legal victories are won, the Negro's personal attitude becomes more and more important," says the San Francisco State College professor. "In addition, a Negro who can approach a mixed situation sanely can help white people do the same thing."

On the other hand, says Hayakawa, the Negro must not be obsequious and "bend over backward not to offend whites."

"The minority's constant temptation," states Hayakawa, "is to say: "There's nothing wrong with me—prejudiced people are holding me back." The Negro, thinks Hayakawa, must "help create his own world" by having the proper attitude.

"He just can't get other people to reform himself," states Hayakawa. "He must lift the Jim Crow inside his own mind."

This could be a lengthy procedure. "After all, some of the Irish still feel persecuted."

How can the Negro feel the "reform?" One way, thinks Hayakawa, is through education. "He shouldn't specialize in Negro subjects. As a citizen of the world, he must take on the world's problems."

Hayakawa compares his "self-fulfilling prophecy" theory with the reaction to the attitude of a happy outgoing child by adults. "They become happy, too," points out the semanticist.

'Jap' Taught Children. . .

Continued from page 1

Branch, Mr. J. R. McCarthy.

On hearing that this term was used in a children's reader and somehow placed on the approved list, the President of the National Japanese Canadian Citizen's Association, Mr. Edward Ide stated:

"This derogatory term most definately should be eliminated from the book. The National JCCA will do all in its power to have this done. A letter of protest will immediately be sent out."

Mr. Ide added: "It is bad enough when it has occured thoughtlessly in newspapers in the past, but to now appear in an approved text for use by children is almost unbelievable."

"These are the times when an organization like the National JCCA is needed. If only one or two individuals write in a letter of protest, there is always the chance that it could be passed off lightly. But when a government - recognized organization such as the NJCCA puts its gears into operation some serious consideration is bound to be taken. Any Nisei that is aware of similiar incidents should immediately present all information to their local JCCA for further study—and if necessary, the course of action to be taken."

Those Japanese Canadian parents who feel, as this newspaper and the JCCA certainly do, that this term "Jap" used in this children's reader be eliminated from the approved list of the Toronto Board of Education, should write to: Mr. J. R. McCarthy, Supt. Curriculum Branch, Dept. of Education, Suite 600, 344 Bloor St. West, Toronto, Ont.
